

BALANCE

Product Features:

- PROFESSIONAL GRADE FORMULA
- SAFE FOR ANY SURFACE
- DESIGNED FOR DAILY USE

Data Sheet

Modern Stone's Balance is a super-concentrated phosphate-free cleaner formulated for everyday use. Use on natural stone, such as marble, limestone, travertine, concrete/masonry, saltillo tile, clay tile, stucco, granite, terrazzo, including glazed and unglazed ceramic tile, porcelain tile, and grout. The pleasant scent leaves the room smelling fresh and clean. Safe for any surface.

USES: Use on natural stone, such as marble, limestone, travertine, concrete/masonry, saltillo tile, clay tile, stucco, granite, terrazzo, including glazed and unglazed ceramic tile, porcelain tile, and grout. Safe for any surface.

COVERAGE: When diluted approximately 10,000 to 20,000 sq. ft. per gallon. Coverage depends on porosity of substrate.

HANDLING AND STORAGE: Close container after each use. Store in original container only. Product is freeze-thaw stable.

CAUTION: Avoid prolonged contact with eyes and skin. Immediately flush eyes with water. Do not take internally. Do not induce vomiting. Seek medical attention.

APPLICATION:

- Sweep or vacuum surface to remove loose debris.
- Mix 1 to 4 ounces of cleaner per gallon of water.
- Apply solution to area to be cleaned.
- Agitate with mop or soft bristle brush.
- Mop up dirty solution.
- Rinse thoroughly with clean water.
- Dry surface with terry cloth towel.
